## Anonymity Statement

There may be some who are not familiar with our Tradition of personal anonymity at the public level.

If so, we respectfully ask that no Al-Anon, Alateen or AA speaker or member be identified by full name or picture in published or broadcast reports of our meeting.

The assurance of anonymity is essential to our efforts to help other families of alcoholics, and our Tradition of anonymity reminds us that A-Anon and Alateen principles come before personalities.
