PANEL REPORTS

Chair Reflector Report

Happy Holidays! We are entering into the busiest, sometimes the most stressful time of the year for a lot of us. Trying to fit all the things we need to get done in the last few weeks of the year, we often sacrifice taking time for ourselves to find a moment of serenity and peace. I hope you each will remember to take that time and my wish for you is serenity and peace as we end this year and get ready for the next one.

Panel 54 has almost completed its second year and we are gearing up for the last year of this panel. Over 2017 we will be looking at service at the assemblies and prompting interest in serving for our next panel (57) at the group, district and area levels. Have you an interest in service? What are the questions you might have that keep you from serving? If you new GR's, DR's, and Area Officers in 2016. Do you have talents that will add to your group, district or area's ability to participate in the Links of Service, enhance outreach, and give back to Al-Anon? I hope each of you is considering serving in some way. Service work has been vital to my recovery. It is the third Legacy of Al-Anon and fills a vital need in the program. What is holding you back? I have enjoyed all the service work I have done. It hasn't always gone perfectly, but others in the program have helped me along the way and things always work out. None of us can break Al-Anon by our participation and maybe you have the talent to better enhance South Carolina's participation.

There are two things that are coming up at the beginning of 2016. We are still looking for an Area Web Administrator. If you have computer skills and are interested, please contact me at (803) 270-0853, or rogerson1@gforcecable.com In February, we will be having our SC Alateen and Al-Anon Convention in Myrtle Beach. Early registration (\$20) closes at the end of January and goes to \$25. Everyone always talks about how wonderful their convention experience was – I hope you will be talking about that as well. There will be great speakers and workshops and the joy of fellowship with other Al-Anon's to participate in and enjoy. Registration on-line is available at the Area website: www.al-anon-sc.org

Have a great end of 2015, come back renewed and refreshed and ready to Participate in 2016! Remember "Participation is the key to harmony!")

LIS,

Jan Rogerson, Area Chair

Delegate Report

Spring has passed us , Summer has passed us and now we are into fall where everything around us is changing . The leaves are turning, the air is crisp and renewing . It reminds me of sometimes how we are in our program . There are times that I find myself in different seasons . In spring when flowers are blooming and the grass is green I feel renewed, excited therefore I grasp at all areas of A-Anon. Then comes Summer. The lazy days, I tend to slack off and my mind shifts , I skip doing what I need to do and then find myself dehydrated, lacking from the nourishment my reading gives me each morning. Then we have fall, waking up to a rainbow of colors reds, greens, beautiful maple trees blooming just brilliant reminding me of all the colors that Al-Anon has blessed me with .The hugs and smiles that I am blessed with in this fellowship. And then we have winter, once again Ole Man Winter brings me down and complacent . But just when I need it My Higher Power replaces that cold lonely day with beautiful Red Cardinals feeding out of a feeder just as a beautiful blanket of snow begins to fall. I hope that each and everyone uses this program with all its tools. Such as our new communications device we have , AFG Connects . If you are not acquainted with this new feature , ask me and I will help . Serving as your Delegate has been quite a ride, so many friends , so much knowledge , so much love.

Love In Service

Joyce Hord, Panel 54, S.C. Delegate

Group Records Report

South Carolina Area 50 has 121 Al-Anon groups having 147 meetings every week. Eighteen groups have no Group Representative. Three groups have no Group Current Mailing Address (CMA) email address. Many CMA's serve multiple groups.

Any Group changes are submitted on the Form GR1 to your District Representative and then to me. I update the WSO data base and pass the changes on to other Area Treasured Servants.

If you have any questions, please feel free to contact me.

DISTRICT REPORTS

District 2 report

District 2 had our last district meeting of the year October 18th. Our next district meeting will be Jan 10th, 2016 in Lancaster and will be hosted by Lancaster Co-ed and Fort Mill AFG.

District 2 has been conducting only four district meetings a year on a trial basis for the last two years. It was the end of the two year trial, the district voted to make this permanent.

Also, the issue of starting an answering service was resolved. District 2 has elected not to have an answering service. Many other free alternatives were brought to the meeting such as use of 211 that is specific to each county (and also used by WSO) and getting each individual groups information to Al-Anon call centers that are already available.

I was also contacted about a new Al-Anon group wanting to form in the Tega Cay/ Lake Wylie area. I gave them the proper contact information to get the new group registered.

District program was a convention planning meeting that went amazingly well given the amount of people and different ideas that had to be considered. It was the Al-Anon program truly at work.

Pam P.

District 2 Representative

District 6 Report

We held our meeting in Walterboro on September 9, 2015.

Carol D. volunteered to be our new literature person as Linda R. had accepted the Alateen Coordinator position.

Teresa H. Gave us a report of Convention 2016. It does appear things are in place and on track. This convention is going to be one great time – Don't miss it.

We had 12 groups and 1 Alateen group present. Oakbrook Courage to Change celebrated their 9th anniversary with an eating meeting with speaker.

Most of the groups have their regular core number of members along with newcomers, staying or passing on to other groups.

Getting people to step up to do service work is an issue with most groups.

Angie M., our treasurer, is laid up at Life Care Center due to a broken hip. The footwork has already begun on a motion and seconded that we remove the former D.R., Julie H.'s name, add mine along with our secretary, Jan H. We will have 3 signers.

Since we missed the date to order "Al-Anon Faces Alcoholism", and most of our groups have extra "old" ones, we will be using these at this time. We will make sure not to miss the January deadline.

Our Gratitude Fest will follow a short district meeting. For discussion will be the finalizing of the Hilton Head/Beaufort area meeting place. St. George will be the upper district location.

Don't miss our Gratitude fest, November 14, 2015 at 10 am – 2 pm. We're having prizes, fun, games along with a workshop and speaker. Don't miss this fun day of fellowship.

In fellowship love,

District 7 Report

Our Fall Festival and Conference held last month in Mount Pleasant was a huge success with approximately 90 people in attendance. The room was beautifully decorated in a fall motif with tables arranged for small groups to sit. The food was bountiful and delicious with many covered dishes contributed. The White Elephant Sale netted the monies needed to fund the day. The Al-Anon and AA speakers were outstanding! Two workshops were held twice so that everyone could attend one or both, and the shortened day (10:00-2:00) worked well. Our biggest concern for next year is that we could outgrow the space that we like so much. Our district meeting was held on Saturday, November 14th. The section from the Conference Summary 2015 about healthy, thriving meetings (p. 64) was read to the group. The Beginners' Meeting Guideline and the two Group Conscience Guidelines that can be found on the WSO Members Website were discussed briefly. One of our GRs wrote a report about his groups' Group Conscience on their procedure dealing with observers in the meeting which will be distributed to the GRs for their information.

Our All Day was discussed and most comments were very positive and suggestions that were made will be passed on to the chairperson for 2016. Nancy G. asked for volunteers to help with the registration table at our state convention in February. Our district bought 400 Al-Anon Faces Alcoholism 2016 and 370 copies with our website and e-mail address on the back were sold during the meeting.

District 8 Report – November 2015

"This is a Time to be Together
And the Truth is somewhere here
Within our love of People
At the Closing of the Year."

This has been a rather exciting year for the Al-anon Family Groups in District 8. We have witnessed the revitalization of the Alateen Program in our district. The Wave Riders, Courage To Be Me. And Salt Life Alateen are our currently active groups. 2016 promises to be an active year for all three groups. In September our district celebrated at our annual "All Day" event. Glenda T. was the successful chairperson for the event that drew attendees from all groups in our area. We were honored to have Judy D. from the LDC in Raleigh NC as our featured speaker. The family groups in our district have shown steady growth and active participation at the district level. Our Public Outreach Program has distributed more information this year than years past. Debbie B. has been very instrumental in this goal by inspiring everyone to take an active role. At the closing of this year I am confident 2016 will be a strong and exciting year!

District 9 Reflector Report November 2015

The 2 Alateen Groups have settled into their permanent locations:

1) Monday at 7-8pm at Greer 1st Presbyterian Church, 100 School Street, Greer, SC 29651. There is an Al-Anon meeting at the same time. There is an Al-Anon sign on the door, which faces Randall Street. This location is close to Wade Hampton (Hwy29) and 14.

2) Friday at 8 pm at St Giles Presbyterian Church, 1021 Hudson Rd, Greenville, SC 29615. There is AA, Al-Anon, Alateen, and Nursery at this location.

We have 4 Alateen Sponsors, but usually no teens. Judy R. wrote an explanation of "What Alateen's is All About" for the AA Alano Monthly Newsletter to bring awareness to all who attend AA and Al-Anon meetings at that location.

Our annual Seeking Serenity All Day was held Saturday, Sep. 19, at Pleasant Ridge Recreation Center in the mountains of Greenville. We had 85 attending. Denise M. provided the Theme this year of 'Following the Yellow Brick Road to Inner Peace'. It was a delightful day. We found that through the 12 Steps of Al-Anon, we discover the Brains, Courage and Heart are inside each of us. It took us working the Steps to see this. It was a beautiful day.

Our last District monthly Open Al-Anon Speaker Meetings for 2015 is a combined Holiday Diner and Speaker at the Greenville Alano Club, 111 Catalina Drive, Greenville, SC 29609. It will be Sunday, Dec. 6. The Meal is at 7pm and the Speaker is at 8 pm.. Tom C. is the Speaker. All are welcome!

Our next District 9 Business Meeting is Tuesday, Jan.19, 2016, in Greenville at 6pm. We have strong attendance and much lively discussions.

I have been reaching out with "email" to connect with more al-anon members, so that they can stay informed of what is happening in our District.

Our Public Outreach is contacting the School Guidance person in the different High Schools to hand out CAL literature and provide awareness.

An Al-Anon committee of is busy creating Workshops and Fellowship for the AA State Convention that will be held at the TD Center in Greenville, SC on March 17-19, 2016. There will be 2 Al-Anon Speakers and 4 AA Speakers. The Workshops and Fellowship will be Friday and Saturday, before and after the Speaker meetings. We will sell 'How AlanonAl-Anon Works' and hand out CAL literature. We hope to open the door to AWARENESS of Al-Anon for all that attend.

Respectfully Submitted,

Jan Salvato, District 9 Representative

COORDINATOR REPORTS

Outreach Coordinator Report –August 2015

“Camera ready” copies of the South Carolina Al-Anon poster were sent to all DR’s, coordinators, state officers and others. Two samples were included, on that each group can add its meeting information to and one that can be adapted as a generic informational poster.

It is suggested that each district and group print out copies and each member distribute 10 copies to offices, stores, churches and so on, checking occasionally to be sure they remain. If each member does this minimum we will have over 13,000 meeting/information notices posted.

We will have another poster in the late fall as possibly one for Alateen.

We are currently working on a new “business” card and presentations for Assembly and 2016 Convention.

PUBLIC OUTREACH: June 2015; David Taylor, SC Area Outreach Coordinator, dwtay@hotmail.com, 610/256-1871

“If Al-Anon is to continue to exist, it must continue to grow” – Lois Wilson

MARKETING includes all business activity involved in the movement of product from producer to consumer. **Promotion** is to bring about the growth of or further the popularity of by selling or advertising. **Attraction** is to invite, to draw to. **PUBLIC OUTREACH** is a marketing activity of attraction: Why, who, what, when, and where.

At Your Meeting: This is often the first opportunity you have to OUTREACH directly to a potential new member. Is your group welcoming to first time visitors? *The “Newcomers Welcome”, which a number of groups use, is NOT CAL.* Each group is encouraged to welcome new prospective members in a way that is comfortable for the group. Some techniques that groups use are: have a member designated as “Greeter” who is responsible for the newcomer; switching the meeting to a 123 step meeting; having a separate meeting for the newcomer and more (see Service Manual page 41).

Having some or all of the following available at your meeting is essential. The tent cards and welcome packet gives assurance of safety, spells out our OUTREACH mission and provides the essentials of the program to the newcomer.

The **Meeting Directory** (usually produced by your District) helps to guide new members to other local meetings. Wherever possible it is suggested that the Directory include the Serenity Prayer, Steps, Traditions and Twenty Questions.

Welcoming Newcomers at Your Meeting	Free	
Anonymity Card/Declaration Card	.35	(some groups print, frame, and post the Declaration)
Welcome Packets	1.40	
Meeting Directory	.05	(print plenty and distribute!)

Whenever possible, it is helpful that your District have at least one **“Beginner Meeting”**. This series of six meetings helps the newcomer become familiar with the principals of the program. Seasoned members are encouraged to attend.

Another OUTREACH tool is the **Alateen** meeting. Each District is encouraged to have one or more of these. Marketing of groups to AA groups, guidance counselors, psychologists and others of the helping community is essential.

The following materials can be used as handouts, drop offs, and introductions as needed. The Al-Anon "**Business Card**" (*available soon in either business of announcement format*) can be used as a contact card or as a drop piece for doctors, dentists, police departments and more at a cost of only about .04. The OUTREACH **Poster** (*also available soon*) can be used by each group in locations of public interest (stores, libraries, professional offices) or by Districts as a general information piece for about 5 cents. Various items of Al-Anon **Literature** can also be used as drop-off materials.

Al-Anon Faces Alcoholism (cost ranges by quantity 25/.72, 25/.50, 100/.40, 200/.40, 300/.375, 400/.35).
Wherever possible Districts could order by case lot and have groups purchase (at reduced cost) from the District.

Outreach Bookmark	FREE	(why not order lots???????)
Are you Concerned About Someone's Drinking	.03	
Are You Troubled By Someone's Drinking	.03	
Has your Life Been Affected by Someone Else's Drinking	.03	
Did you Grow Up With a Problem Drinker?	.03	(all very inexpensive marketing tools)
The Forum	11/.90	(drop off old copies!)

Finally, **THE BEST OF PUBLIC OUTREACH** is available **FREE** as a download from the Al-Anon website. Each group is encouraged have its' own copy and a member as group outreach chair! *Let's spread the message!*

During the last month we have followed up on a request from a local public library for copies of Al-Anon Faces Alcoholism (*another reason for Districts to buy in bulk*) and with a church group near Augusta who wanted Al-Anon participation in a Health Fair.

Area Alateen Coordinator Article - November 2015

Happy Fall! And thanks for reading my Area Alateen Coordinator (AAC) Reflector Report.

The Alateen Task Force is in full effect!! #GrowSCAlateen! Woohoo! We have had several meetings with interested Alateens, Alateen Sponsors, and even Al-Anon members who just want to help. We are focused on a few things:

- Growing SC Alateen participation by getting the word out about Alateen
- Getting more Al-Anon members certified as Alateen Sponsors (new Sponsors in Myrtle Beach and Charleston!)
- Starting new Alateen Meetings (we had another one start in Myrtle Beach!)
- Preparing for our workshop, speaker and fundraiser at Convention
- Getting ready for the 40th Anniversary of South Carolina Alateen Camp this coming July 2016!

Things are going great! But we can always use more help. If you want to help, there are a couple ways to do this:

1. Call or email Elizabeth about joining the Task Force (cell 504-231-5594/alateen@al-anon-sc.org).
2. Talk about Alateen with your Al-Anon friends. Let everyone know this program is out there to help teens. It's Al-Anon but for younger people. We've found that Alateen members almost always were referred to Alateen by an Al-Anon or AA member. Help spread the word.

If anyone has any questions regarding Alateen, please email or call me.

Thanks!

Yours in service

Elizabeth

#GrowSCAlateen!

AAPP Report, SC Reflector, November, 2015

As of November 15, 2015, we have 12 active Alateen groups in South Carolina, with 55 Certified AMIAS, 18 of them active in groups. Thank You!

The newest group, Salt Life Alateen, started Oct 16 in Murrells Inlet.

With the heavy lifting done mostly by David T and Dave B in Myrtle Beach, the forms for Alateen Certification and Alateen Re-certification have been updated and simplified. Language has been clarified and redundancy has been eliminated. Please keep in mind that all AMIAS need to re-certify between March 20 and May 31 of every year, regardless of when you initially certify.

The Reflector

November 2015 Issue

www.al-anon.sc.org

The Alateen Certification Orientation Manual is also under review and revision, again mostly by the folks from District 8, Myrtle Beach area. It is my opinion that this exercise is a great opportunity for concerned AMIAS, Alateen members, and even Al-Anions to voice their concerns and elevate the larger discussion as to how we all can make Alateen a stronger and more vibrant part of our fellowship. It has been roughly twelve years since the manual was developed shortly after WSO passed the 2003 Alateen Motion for establishing Safety and Behavioral requirements for areas. All comments are welcome...please email me at AAPP@al-anon.sc.org with your ideas.

Yours in fellowship,

BobC
