Kathy,

Per Judy's message below, would you please send the attachments out to all our GR's? The attachments include the Literature Distribution Center newsletter and a list of quarterly contributions from the groups by state. I have sent to Jan R to send to the DR's as well. Thank you! Will get the minutes to you tomorrow.

Hope all is well with you.

Elizabeth Wenner

Hi Elizabeth,

Would you please help me get the attachments out to all groups in SC.

I have been sending them to the Area and asking them to send them to the DR's and asking them to get them out to the groups.

If you have the E-mail addresses of the DR's that would work – whatever works for you.

Thank you so much Elizabeth. I am sending them out to NC today and I will send out a hard copy of both

in the boxes with their Lit. Let's hope everybody see it. I know Walt did not want the Cont. list to go out

and I asked if we could try it for a quarter. Already, a group who has a couple of members on the board have

already been back to their treasurer and question why their amount was so low. I am hoping this will get

the groups to think about us.

Love ya.
